Item 8.01 Other Events

On May 22, 2018, Dover Corporation (“Dover”) entered into a Master Confirmation and Supplemental Confirmation (the “ASR Agreement”) with Goldman Sachs & Co. LLC (“Goldman”) pursuant to which it will repurchase \$700 million of its common stock, par value \$1.00 per share (the “ASR Program”). Dover is conducting the accelerated share repurchase under a repurchase authorization for an aggregate of 20,000,000 shares approved by its board of directors in February 2018. Dover will fund the accelerated share repurchase with funds received from Apergy Corporation (“Apergy”) in connection with the consummation of the Apergy spin-off transaction.

Under the terms of the ASR Agreement, Dover will pay Goldman \$700 million on May 24, 2018 and on that date will receive initial deliveries of approximately 7,078,751 million shares, representing a substantial majority of the shares expected to be retired over the course of the ASR Agreement. The total number of shares ultimately repurchased under the ASR Agreement will be based on the volume-weighted average share price of Dover’s common stock during the calculation period of the ASR Program, less a discount. The accelerated share repurchase is scheduled to be completed in 2018, subject to postponement or acceleration under the terms of the ASR Agreement. The actual number of shares repurchased will be determined at the completion of the ASR Program. The ASR Agreement contains the principal terms and provisions governing the ASR Program customary for agreements of this type, including, but not limited to, the mechanism used to determine the number of shares that will be delivered, the required timing of delivery of the shares, the specific circumstances under which Goldman is permitted to make adjustments to valuation periods and other economic terms, the specific circumstances under which the ASR Program may be terminated early, and various acknowledgments, representations and warranties made by Dover and Goldman to one another.

Re: Accelerated Stock Buyback

Ref. No: As provided in the Supplemental Confirmation

Date: May 22, 2018

This master confirmation (this “**Master Confirmation**”), dated as of May 22, 2018 is intended to set forth certain terms and provisions of certain Transactions (each, a “**Transaction**”) entered into from time to time between Goldman Sachs & Co. LLC (“**GS&Co.**”) and Dover Corporation (“**Counterparty**”). This Master Confirmation, taken alone, is neither a commitment by either party to enter into any Transaction nor evidence of a Transaction. The additional terms of any particular Transaction shall be set forth in a Supplemental Confirmation in the form of Schedule A hereto (a “**Supplemental Confirmation**”), which shall reference this Master Confirmation and supplement, form a part of, and be subject to this Master Confirmation. This Master Confirmation and each Supplemental Confirmation together shall constitute a “Confirmation” as referred to in the Agreement specified below.

The definitions and provisions contained in the 2002 ISDA Equity Derivatives Definitions (the “**Equity Definitions**”), as published by the International Swaps and Derivatives Association, Inc., are incorporated into this Master Confirmation. This Master Confirmation and each Supplemental Confirmation evidence a complete binding agreement between Counterparty and GS&Co. as to the subject matter and terms of each Transaction to which this Master Confirmation and such Supplemental Confirmation relate and shall supersede all prior or contemporaneous written or oral communications with respect thereto.

This Master Confirmation and each Supplemental Confirmation supplement, form a part of, and are subject to an agreement in the form of the 2002 ISDA Master Agreement (the “**Agreement**”) as if GS&Co. and Counterparty had executed the Agreement on the date of this Master Confirmation (but without any Schedule except for (i) the election of New York law (without reference to its choice of laws doctrine other than Title 14 of Article 5 of the New York General Obligations Law) as the governing law and US Dollars (“**USD**”) as the Termination Currency, (ii) the election that subparagraph (ii) of Section 2(c) will not apply to the Transactions and (iii) the election that the “Cross Default” provisions of Section 5(a)(vi) shall apply to Counterparty and to GS&Co., with a “Threshold Amount” of USD 150 million for Counterparty and a “Threshold Amount” equal to 3% of shareholders’ equity of The Goldman Sachs Group, Inc. (“**GS Group**”), as of the date hereof for GS&Co.; *provided* that (a) the phrase “or becoming capable at such time of being declared” shall be deleted from clause (1) of such Section 5(a)(vi) of the Agreement, (b) the following sentence shall be added to the end thereof: “Notwithstanding the foregoing, a default under subsection (2) hereof shall not constitute an Event of Default if (i) the default was caused solely by error or omission of an administrative or operational nature; (ii) funds were available to enable the party to make the payment when due; and (iii) the payment is made within two Local Business Days of such party’s receipt of written notice of its failure to pay.” and (c) the term “Specified Indebtedness” shall have the meaning specified in Section 14 of the Agreement, except that such term shall not include obligations in respect of deposits received in the ordinary course of a party’s banking business).

The Transactions shall be the sole Transactions under the Agreement. If there exists any ISDA Master Agreement between GS&Co. and Counterparty or any confirmation or other agreement between GS&Co. and Counterparty pursuant to which an ISDA Master Agreement is deemed to exist between GS&Co. and Counterparty, then notwithstanding anything to the contrary in such ISDA Master Agreement, such confirmation or agreement or any other agreement to which GS&Co. and Counterparty are parties, the Transactions shall not be considered Transactions under, or otherwise governed by, such existing or deemed ISDA Master Agreement.

All provisions contained or incorporated by reference in the Agreement shall govern this Master Confirmation and each Supplemental Confirmation except as expressly modified herein or in the related Supplemental Confirmation.

If, in relation to any Transaction to which this Master Confirmation and a Supplemental Confirmation relate, there is any inconsistency between the Agreement, this Master Confirmation, any Supplemental Confirmation and the Equity Definitions, the following will prevail for purposes of such Transaction in the order of precedence indicated: (i) such Supplemental Confirmation; (ii) this Master Confirmation; (iii) the Equity Definitions; and (iv) the Agreement.

1. Each Transaction constitutes a Share Forward Transaction for the purposes of the Equity Definitions. Set forth below are the terms and conditions that, together with the terms and conditions set forth in the Supplemental Confirmation relating to any Transaction, shall govern such Transaction.

For purposes of calculating the VWAP Price, the |
|-------------|---|

Calculation Agent will include only those trades that are reported during the period of time during which Counterparty could purchase its own shares under Rule 10b-18(b)(2) and are effected pursuant to the conditions of Rule 10b-18(b)(3), each under the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”) (such trades, “**Rule 10b-18 eligible transactions**”).

Forward Price: The average of the VWAP Prices for all of the Calculation Dates in the Calculation Period, subject to “Valuation Disruption” below

Forward Price Adjustment Amount: For each Transaction, as set forth in the related Supplemental Confirmation.

Calculation Period: The period from and including the Calculation Period Start Date to and including the Termination Date.

Calculation Period Start Date: For each Transaction, as set forth in the related Supplemental Confirmation.

Termination Date: The Scheduled Termination Date; *provided* that GS&Co. shall have the right to designate any Calculation Date on or after the First Acceleration Date to be the Termination Date (the “**Accelerated Termination Date**”) by delivering notice to Counterparty of any such designation prior to 11:59 p.m. New York City time on the Calculation Date immediately following the designated Accelerated Termination Date. For the avoidance of doubt, GS&Co.’s designation of the Accelerated Termination Date will apply only with respect to the Transaction or Transactions specified in such notice and will not apply to any outstanding Transaction not so specified.

Calculation Dates: Any date that is both an Exchange Business Day and is set forth as a Calculation Date in the related Supplemental Confirmation.

Scheduled Termination Date: For each Transaction, as set forth in the related Supplemental Confirmation, subject to postponement as provided in “Valuation Disruption” below.

First Acceleration Date: For each Transaction, as set forth in the related Supplemental Confirmation.

Valuation Disruption: The definition of “Market Disruption Event” in Section 6.3(a) of the Equity Definitions is hereby amended by deleting the words “at any time during the one-hour period that ends at the relevant Valuation Time, Latest Exercise Time, Knock-in Valuation Time or Knock-out Valuation Time, as the case may be” and inserting the words “at any time on any Scheduled Trading Day during the Calculation Period or Settlement Valuation Period” after the word “material,” in the third line thereof.

Section 6.3(d) of the Equity Definitions is hereby amended by deleting the remainder of the provision following the term “Scheduled Closing Time” in the fourth line thereof.

Notwithstanding anything to the contrary in the Equity Definitions, to the extent that a Disrupted Day occurs (i) in the Calculation Period, the Calculation Agent may, in its good faith and commercially reasonable discretion, postpone the Scheduled Termination Date by one Calculation Date for each such Disrupted Day, or (ii) in the Settlement Valuation Period, the Calculation Agent may extend the Settlement Valuation Period by one Calculation Date for each Disrupted Day. If any such Disrupted Day is a Disrupted Day because of a Market Disruption Event (or a deemed Market Disruption Event as provided herein), the Calculation Agent shall determine whether (i) such Disrupted Day is a Disrupted Day in full, in which case the VWAP Price for such Disrupted Day

shall not be included for purposes of determining the Forward Price or the Settlement Price, as the case may be, or (ii) except in the case of a Disrupted Day relating solely to a deemed Market Disruption Event pursuant to Section 5 below that occurs solely in response to the policies or procedures of GS&Co. referenced therein (which Disrupted Day may only be a Disrupted Day in full), such Disrupted Day is a Disrupted Day only in part, in which case the VWAP Price for such Disrupted Day shall be determined by the Calculation Agent based on Rule 10b-18 eligible transactions in the Shares on such Disrupted Day taking into account the nature and duration of the relevant Market Disruption Event, and the weighting of the VWAP Price for the relevant Calculation Dates during the Calculation Period or the Settlement Valuation Period, as the case may be, shall be adjusted in a commercially reasonable manner by the Calculation Agent for purposes of determining the Forward Price or the Settlement Price, as the case may be, with such adjustments based on, among other factors, the duration of any Market Disruption Event and the volume, historical trading patterns and price of the Shares. Any Exchange Business Day on which, as of the date hereof, the Exchange is scheduled to close prior to its normal close of trading shall be deemed not to be an Exchange Business Day; if a closure of the Exchange prior to its normal close of trading on any Exchange Business Day is scheduled following the date hereof, then such Exchange Business Day shall be deemed to be a Disrupted Day in full.

If a Disrupted Day occurs during the Calculation Period or the Settlement Valuation Period, as the case may be, and each of the nine immediately following Calculation Dates is a Disrupted Day, then the Calculation Agent, in its good faith and commercially reasonable discretion, may deem such ninth Calculation Date to be an Exchange Business Day that is not a Disrupted Day and determine the VWAP Price for such ninth Calculation Date using its good faith estimate of the value of the Shares on such ninth Calculation Date based on the volume, historical trading patterns and price of the Shares and such other factors as it deems appropriate.

Settlement Terms:

Settlement Procedures:

If the Number of Shares to be Delivered is positive, Physical Settlement shall be applicable; *provided* that neither party makes, and shall not make, the agreement or the representations set forth in Section 9.11 of the Equity Definitions related to the restrictions imposed by applicable securities laws with respect to any Shares delivered by one party to the other under any Transaction that arise as a result of the fact that Counterparty is the Issuer of the Shares (it being understood, for the avoidance of doubt, that nothing in this sentence will limit the obligations of Counterparty under Annex A, to the extent Counterparty is required to deliver any Shares hereunder). If the Number of Shares to be Delivered is negative, then the Counterparty Settlement Provisions in Annex A shall apply.

Number of Shares to be Delivered:

A number of Shares equal to (x)(a) the Prepayment Amount *divided by* (b) the Divisor Amount *minus* (y) the number of Initial Shares.

Divisor Amount:

The greater of (i) the Forward Price *minus* the Forward Price Adjustment Amount and (ii) \$1.00.

| Initial Share Delivery Date: | For each Transaction, as set forth in the related Supplemental Confirmation. |
| Initial Shares: | For each Transaction, as set forth in the related Supplemental Confirmation. |
| Share Adjustments: | |
| Potential Adjustment Event: | <p>Notwithstanding anything to the contrary in Section 11.2(e) of the Equity Definitions, (i) an Extraordinary Dividend shall not constitute a Potential Adjustment Event and (ii) a repurchase by Counterparty or any of its subsidiaries of the Shares shall not constitute a Potential Adjustment Event to the extent that such repurchase is effected pursuant to Concurrent OMR Repurchases (as defined below).</p> <p>It shall constitute an additional Potential Adjustment Event if the Scheduled Termination Date for any Transaction is postponed pursuant to "Valuation Disruption" above, in which case the Calculation Agent may, in its commercially reasonable discretion, adjust any relevant terms of any such Transaction as appropriate to account for the economic effect on the Transaction of such postponement.</p> |
| Extraordinary Dividend: | For any calendar quarter, any dividend or distribution on the Shares with an ex-dividend date occurring during such calendar quarter (other than any dividend or distribution of the type described in Section 11.2(e)(i) or Section 11.2(e)(ii)(A) of the Equity Definitions) (a " Dividend ") the amount or value of which (as determined by the Calculation Agent), when aggregated with the amount or value (as determined by the Calculation Agent) of any and all previous Dividends with ex-dividend dates occurring in the same calendar quarter, exceeds the Ordinary Dividend Amount. |
| Ordinary Dividend Amount: | For each Transaction, as set forth in the related Supplemental Confirmation. |
| Method of Adjustment: | Calculation Agent Adjustment |
| Early Ordinary Dividend Payment: | If an ex-dividend date for any Dividend that is not an Extraordinary Dividend occurs during any calendar quarter occurring (in whole or in part) during the Relevant Dividend Period (as defined below) and is prior to the Scheduled Ex-Dividend Date for such calendar quarter, the Calculation Agent shall make such adjustment to the exercise, settlement, payment or any other terms of the relevant Transaction as the Calculation Agent determines in its good faith discretion to be appropriate to account for the economic effect on the Transaction of such event. |

2. Calculation Agent.

GS&Co.; *provided* that, upon receipt of written request from Counterparty, the Calculation Agent shall promptly provide Counterparty with a written explanation describing in reasonable detail any calculation, adjustment or determination made by it (including any quotations, market data or information from internal or external sources used in making such calculation, adjustment or determination, as the case may be, but without disclosing GS&Co.'s or its affiliates' proprietary models or other information that may be proprietary or subject to contractual, legal or regulatory obligations to not disclose such information), and shall use commercially reasonable efforts to provide such written explanation within five (5) Exchange Business Days from the receipt of such request.

3. Additional Mutual Representations, Warranties and Covenants of Each Party. In addition to the representations, warranties and covenants in the Agreement, each party represents, warrants and covenants to the other party that:

(a) Eligible Contract Participant. It is an "eligible contract participant", as defined in the U.S. Commodity Exchange Act (as amended), and is entering into each Transaction hereunder as principal (and not as agent or in any other capacity, fiduciary or otherwise) and not for the benefit of any third party.

(b) Accredited Investor. Each party acknowledges that the offer and sale of each Transaction to it is intended to be exempt from registration under the Securities Act of 1933, as amended (the "**Securities Act**"), by virtue of Section 4(a)(2) thereof. Accordingly, each party represents and warrants to the other that (i) it has the financial ability to bear the economic risk of its investment in each Transaction and is able to bear a total loss of its investment, (ii) it is an "accredited investor" as that term is defined under Regulation D under the Securities Act and (iii) the disposition of each Transaction is restricted under this Master Confirmation, the Securities Act and state securities laws.

4. Additional Representations, Warranties and Covenants of Counterparty. In addition to the representations, warranties and covenants in the Agreement, Counterparty represents, warrants and covenants to GS&Co. that:

(a) It and its affiliates have not announced or been engaged in at any time during the ten business days preceding the Trade Date, and will not announce or be engaged in at any time during the Relevant Period (as defined below in clause (g) of this Section 4), an "issuer tender offer" as such term is defined in Rule 13e-4 under the Exchange Act nor is it aware of any third party tender offer with respect to the Shares within the meaning of Rule 13e-1 under the Exchange Act.

(b) It is not entering into any Transaction (i) on the basis of, and is not aware of, any material non-public information with respect to the Shares (ii) in anticipation of, in connection with, or to facilitate, a distribution of its securities, a self tender offer or a third-party tender offer or (iii) to create actual or apparent trading activity in the Shares (or any security convertible into or exchangeable for the Shares) or to raise or depress or otherwise manipulate the price of the Shares (or any security convertible into or exchangeable for the Shares).

(c) Each Transaction is being entered into pursuant to a publicly disclosed Share buy-back program and its Board of Directors has approved the use of derivatives to effect the Share buy-back program.

(d) Without limiting the generality of Section 13.1 of the Equity Definitions, Counterparty acknowledges that neither GS&Co. nor any of its affiliates is making any representations or warranties or taking any position or expressing any view with respect to the treatment of any Transaction under any accounting standards including ASC Topic 260, *Earnings Per Share*, ASC Topic 815, *Derivatives and Hedging*, or ASC Topic 480, *Distinguishing Liabilities from Equity* and ASC 815-40, *Derivatives and Hedging – Contracts in Entity’s Own Equity*.

(e) As of (i) the date hereof and (ii) the Trade Date for each Transaction hereunder, Counterparty is in compliance with its reporting obligations under the Exchange Act and its most recent Annual Report on Form 10-K, together with all reports subsequently filed by it pursuant to the Exchange Act, taken together and as amended and supplemented to the date of this representation, do not, as of their respective filing dates, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(f) Counterparty shall report each Transaction as required under the Exchange Act and the rules and regulations thereunder.

(g) The Shares are not, and Counterparty will not cause the Shares to be, subject to a “restricted period” (as defined in Regulation M promulgated under the Exchange Act) at any time during any Regulation M Period (as defined below) for any Transaction unless Counterparty has provided written notice to GS&Co. of such restricted period not later than the Scheduled Trading Day immediately preceding the first day of such “restricted period”; Counterparty acknowledges that any such notice may cause a Disrupted Day to occur pursuant to Section 5 below; accordingly, Counterparty acknowledges that its delivery of such notice must comply with the standards set forth in Section 6 below; “**Regulation M Period**” means, for any Transaction, (i) the Relevant Period (as defined below) and (ii) the Settlement Valuation Period, if any, for such Transaction. “**Relevant Period**” means, for any Transaction, the period commencing on the Calculation Period Start Date for such Transaction and ending on the earlier of (i) the Scheduled Termination Date and (ii) the last Additional Relevant Day (as specified in the related Supplemental Confirmation) for such Transaction, or such earlier day as elected by GS&Co. and communicated to Counterparty on such day (or, if later, the First Acceleration Date without regard to any acceleration thereof pursuant to “Special Provisions for Acquisition Transaction Announcements” below).

(h) As of the Trade Date and the Prepayment Date for each Transaction, Counterparty is not “insolvent” (as such term is defined under Section 101(32) of the U.S. Bankruptcy Code (Title 11 of the United States Code) (the “**Bankruptcy Code**”)) and Counterparty would be able to purchase a number of Shares with a value equal to the Prepayment Amount in compliance with the laws of the jurisdiction of Counterparty’s incorporation.

(i) Counterparty is not and, after giving effect to any Transaction, will not be, required to register as an “investment company” as such term is defined in the Investment Company Act of 1940, as amended.

(j) Counterparty has not entered into and will not enter into agreements similar to the Transactions described herein where any initial hedge period, calculation period, relevant period or settlement valuation period (each however defined) in such other transaction will overlap at any time (including as a result of extensions in such initial hedge period, calculation period, relevant period or settlement valuation period as provided in the relevant agreements) with any Relevant Period or, if applicable, any Settlement Valuation Period under this Master Confirmation. In the event that the initial hedge period, relevant period, calculation period or settlement valuation period in any other similar transaction overlaps with any Relevant Period or, if applicable, Settlement Valuation Period under this Master Confirmation as a result of any postponement of the Scheduled Termination Date or extension of the Settlement Valuation Period pursuant to “Valuation Disruption” above, Counterparty shall promptly amend such transaction to avoid any such overlap.

5. Regulatory Disruption. In the event that GS&Co. concludes, in good faith and in consultation with counsel, that it is appropriate with respect to any legal, regulatory or self-regulatory requirements or related policies and procedures generally applicable to the relevant line of business (whether or not such requirements, policies or procedures are imposed by law or have been voluntarily adopted by GS&Co.), for it to refrain from or decrease any

market activity on any Calculation Date or Calculation Dates during the Calculation Period or, if applicable, the Settlement Valuation Period, GS&Co. may by written notice to Counterparty elect to deem that a Market Disruption Event has occurred and will be continuing on such Calculation Date or Calculation Dates.

6. 10b5-1 Plan. Counterparty represents, warrants and covenants to GS&Co. that:

(a) Counterparty is entering into this Master Confirmation and each Transaction hereunder in good faith and not as part of a plan or scheme to evade the prohibitions of Rule 10b5-1 under the Exchange Act (“**Rule 10b5-1**”) or any other antifraud or anti-manipulation provisions of the federal or applicable state securities laws and that it has not entered into or altered and will not enter into or alter any “corresponding or hedging transaction” (within the meaning of Rule 10b5-1) or position with respect to the Shares. Counterparty acknowledges that it is the intent of the parties that each Transaction entered into under this Master Confirmation comply with the requirements of paragraphs (c)(1)(i)(A) and (B) of Rule 10b5-1 and each Transaction entered into under this Master Confirmation shall be interpreted to comply with the requirements of Rule 10b5-1(c).

(b) Counterparty will not seek to control or influence GS&Co.’s decision to make any “purchases or sales” (within the meaning of Rule 10b5-1(c)(1)(i)(B)(3)) under any Transaction entered into under this Master Confirmation, including, without limitation, GS&Co.’s decision to enter into any hedging transactions. Counterparty represents and warrants that it has consulted with its own advisors as to the legal aspects of its adoption and implementation of this Master Confirmation and each Supplemental Confirmation under Rule 10b5-1.

(c) Counterparty acknowledges and agrees that any amendment, modification, waiver or termination of this Master Confirmation or the relevant Supplemental Confirmation must be effected in accordance with the requirements for the amendment or termination of a “plan” as defined in Rule 10b5-1(c). Without limiting the generality of the foregoing, any such amendment, modification, waiver or termination shall be made in good faith and not as part of a plan or scheme to evade the prohibitions of Rule 10b-5, and no such amendment, modification, waiver or termination shall be made at any time at which Counterparty or any officer, director, manager or similar person of Counterparty is aware of any material non-public information regarding Counterparty or the Shares.

7. Counterparty Purchases. Counterparty (or any “affiliated purchaser” as defined in Rule 10b-18 under the Exchange Act (“**Rule 10b-18**”)) shall not, without the prior written consent of GS&Co. (which consent shall be deemed to be given in the case of any Concurrent OMR Repurchases, as defined below), directly or indirectly purchase any Shares (including by means of a derivative instrument), listed contracts on the Shares or securities that are convertible into, or exchangeable or exercisable for Shares (including, without limitation, any Rule 10b-18 purchases of blocks (as defined in Rule 10b-18)) during any Relevant Period or, if applicable, Settlement Valuation Period, except through GS&Co.; *provided* that (x) purchases of Shares that do not constitute “Rule 10b-18 purchases” under subparagraphs (ii) or (iii) of Rule 10b-18(a)(13), (y) withholding of Shares from holders of employee stock options to cover amounts payable (including tax liabilities and/or payment of exercise price) in respect of the exercise of employee stock options, and (z) privately negotiated off-exchange repurchases of Shares that are not reasonably expected to result in purchases of Shares in the market shall, in each case, not be subject to this Section 7. “**Concurrent OMR Repurchases**” means one or more Share repurchase transactions entered into between GS&Co. and Counterparty on terms acceptable to GS&Co. to the extent that, on any day during the Relevant Period or, if applicable, Settlement Valuation Period (A) the aggregate number of Shares repurchased under such transactions on such day does not exceed the Concurrent OMR Repurchase Percentage (as set forth in the related Supplemental Confirmation) of the “ADTV” for the Shares (as defined in Rule 10b-18) and (B) Counterparty will not be permitted to effect any Rule 10b-18 purchases of blocks (as defined in Rule 10b-18) except to the extent GS&Co. agrees in its sole discretion.

8. Special Provisions for Merger Transactions. Notwithstanding anything to the contrary herein or in the Equity Definitions:

(a) Counterparty agrees that it:

(i) will not during the period commencing on the Trade Date through the end of the Relevant Period or, if applicable, the Settlement Valuation Period for any Transaction make, permit any of its affiliates to make, or (to the extent reasonably within its control and after using commercially reasonable

efforts) permit any other party to make, any public announcement (as defined in Rule 165(f) under the Securities Act) of any Merger Transaction or potential Merger Transaction (a “**Public Announcement**”) unless such Public Announcement is made prior to the opening or after the close of the regular trading session on the Exchange for the Shares;

(ii) shall promptly (but in any event prior to the next opening of the regular trading session on the Exchange) notify GS&Co. following any such Public Announcement that such Public Announcement has been made; and

(iii) shall promptly (but in any event prior to the next opening of the regular trading session on the Exchange) provide GS&Co. with written notice specifying (i) Counterparty’s average daily Rule 10b-18 Purchases (as defined in Rule 10b-18) during the three full calendar months immediately preceding the date of such Public Announcement that were not effected through GS&Co. or its affiliates and (ii) the number of Shares purchased pursuant to the proviso in Rule 10b-18(b)(4) under the Exchange Act for the three full calendar months preceding the date of such Public Announcement. Such written notice shall be deemed to be a certification by Counterparty to GS&Co. that such information is true and correct. In addition, Counterparty shall promptly notify GS&Co. of the earlier to occur of the completion of the relevant Merger Transaction and the completion of the vote by target shareholders.

(b) Counterparty acknowledges that a Public Announcement may cause the terms of any Transaction to be adjusted or such Transaction to be terminated; accordingly, Counterparty acknowledges that in making any Public Announcement, it must comply with the standards set forth in Section 6 above.

(c) Upon the occurrence of any Public Announcement (whether made by Counterparty or a third party) GS&Co. in its sole discretion may (i) make commercially reasonable adjustments to the terms of any Transaction, including, without limitation, the Scheduled Termination Date or the Forward Price Adjustment Amount, and/or suspend the Calculation Period and/or any Settlement Valuation Period or (ii) treat the occurrence of such Public Announcement as an Additional Termination Event with Counterparty as the sole Affected Party and the Transactions hereunder as the Affected Transactions and with the amount under Section 6(e) of the Agreement determined taking into account the fact that the Calculation Period or Settlement Valuation Period, as the case may be, had fewer Calculation Dates than originally anticipated.

“**Merger Transaction**” means any merger, acquisition or similar transaction involving a recapitalization as contemplated by Rule 10b-18(a)(13)(iv) under the Exchange Act.

9. Special Provisions for Acquisition Transaction Announcements. (a) If an Acquisition Transaction Announcement occurs on or prior to the Settlement Date for any Transaction, then the Calculation Agent shall make such adjustments to the exercise, settlement, payment or any other terms of such Transaction as the Calculation Agent determines appropriate, at such time or at multiple times as the Calculation Agent determines appropriate, to account for the economic effect on such Transaction of such Transaction Announcement (including adjustments to account for changes in volatility, expected dividends, stock loan rate, the value of maintaining or establishing any commercially reasonable Hedge Positions in connection with the Transaction and liquidity relevant to the Shares or to such Transaction). If an Acquisition Transaction Announcement occurs after the Trade Date, but prior to the First Acceleration Date of any Transaction, the First Acceleration Date shall be the date of such Acquisition Transaction Announcement.

(b) “**Acquisition Transaction Announcement**” means (i) the announcement of an Acquisition Transaction, (ii) an announcement that Counterparty or any of its subsidiaries has entered into an agreement, a letter of intent or an understanding designed to result in an Acquisition Transaction, (iii) the announcement of the intention to solicit or enter into, or to explore strategic alternatives or other similar undertaking that may include, an Acquisition Transaction, (iv) any other announcement that in the reasonable judgment of the Calculation Agent may result in an Acquisition Transaction or (v) any announcement of any change or amendment to any previous Acquisition Transaction Announcement (including any announcement of the abandonment of any such previously announced Acquisition Transaction, agreement, letter of intent, understanding or intention). For the avoidance of doubt, announcements as used in the definition of Acquisition Transaction Announcement refer to any public announcement whether made by the Issuer or a third party.

(c) “**Acquisition Transaction**” means (i) any Merger Event (for purposes of this definition the definition of Merger Event shall be read with the references therein to “100%” being replaced by “20%” and to “50%” by “75%” and without reference to the clause beginning immediately following the definition of Reverse Merger therein to the end of such definition), Tender Offer or Merger Transaction (*provided* that, for purposes of this Section 9, the Merger Transaction, as determined by the Calculation Agent, involves consideration (x) valued in excess of 20% of the market capitalization of Counterparty measured as of the Exchange Business Day immediately preceding the relevant date of announcement or (y) consisting of a number of Shares that exceeds 20% of the number of outstanding Shares measured as of the Exchange Business Day immediately preceding the relevant date of announcement) or any other transaction involving the merger of Counterparty with or into any third party, (ii) the sale or transfer of all or substantially all of the assets of Counterparty, (iii) a recapitalization, reclassification, binding share exchange or other similar transaction, (iv) any acquisition, lease, exchange, transfer, disposition (including by way of spin-off or distribution) of assets (including any capital stock or other ownership interests in subsidiaries) or other similar event by Counterparty or any of its subsidiaries where the aggregate consideration transferable or receivable by or to Counterparty or its subsidiaries exceeds 20% of the market capitalization of Counterparty measured as of the Exchange Business Day immediately preceding the relevant date of announcement and (v) any transaction in which Counterparty or its board of directors has a legal obligation to make a recommendation to its shareholders in respect of such transaction (whether pursuant to Rule 14e-2 under the Exchange Act or otherwise).

10. Acknowledgments. (a) The parties hereto intend for:

(i) each Transaction to be a “securities contract” as defined in Section 741(7) of the Bankruptcy Code, a “swap agreement” as defined in Section 101(53B) of the Bankruptcy Code and a “forward contract” as defined in Section 101(25) of the Bankruptcy Code, and the parties hereto to be entitled to the protections afforded by, among other Sections, Sections 362(b)(6), 362(b)(17), 362(b)(27), 362(o), 546(e), 546(g), 546(j), 555, 556, 560 and 561 of the Bankruptcy Code;

(ii) the Agreement to be a “master netting agreement” as defined in Section 101(38A) of the Bankruptcy Code;

(iii) a party’s right to liquidate, terminate or accelerate any Transaction, net out or offset termination values or payment amounts, and to exercise any other remedies upon the occurrence of any Event of Default or Termination Event under the Agreement with respect to the other party or any Extraordinary Event that results in the termination or cancellation of any Transaction to constitute a “contractual right” (as defined in the Bankruptcy Code); and

(iv) all payments for, under or in connection with each Transaction, all payments for the Shares (including, for the avoidance of doubt, payment of the Prepayment Amount) and the transfer of such Shares to constitute “settlement payments” and “transfers” (as defined in the Bankruptcy Code).

(b) Counterparty acknowledges that:

(i) during the term of any Transaction, GS&Co. and its affiliates may buy (on Calculation Dates) or sell Shares or other securities or buy or sell options or futures contracts or enter into swaps or other derivative securities in order to establish, adjust or unwind its hedge position with respect to such Transaction;

(ii) GS&Co. and its affiliates may also be active in the market for the Shares and derivatives linked to the Shares other than in connection with hedging activities in relation to any Transaction, including acting as agent or as principal and for its own account or on behalf of customers;

(iii) GS&Co. shall make its own determination as to whether, when or in what manner any hedging or market activities in Counterparty’s securities shall be conducted and shall do so in a manner that it deems appropriate to hedge its price and market risk with respect to the Forward Price and the VWAP Price;

(iv) any market activities of GS&Co. and its affiliates with respect to the Shares may affect the market price and volatility of the Shares, as well as the Forward Price and VWAP Price, each in a manner that may be adverse to Counterparty; and

(v) each Transaction is a derivatives transaction in which it has granted GS&Co. an option; GS&Co. may purchase shares for its own account at an average price that may be greater than, or less than, the price paid by Counterparty under the terms of the related Transaction.

(c) Counterparty:

(i) is an “institutional account” as defined in FINRA Rule 4512(c);

(ii) is capable of evaluating investment risks independently, both in general and with regard to all transactions and investment strategies involving a security or securities, and will exercise independent judgment in evaluating the recommendations of GS&Co. or its associated persons, unless it has otherwise notified GS&Co. in writing; and

(iii) will notify GS&Co. if any of the statements contained in clause (i) or (ii) of this Section 10(c) ceases to be true.

11. Credit Support Documents. The parties hereto acknowledge that no Transaction hereunder is secured by any collateral that would otherwise secure the obligations of Counterparty herein or pursuant to the Agreement.

12. Set-off. (a) The parties agree to amend Section 6 of the Agreement by deleting Section 6(f) thereof and replacing it with the following:

“(f) Upon the occurrence of an Event of Default or Termination Event with respect to a party who is the Defaulting Party or the Affected Party (“X”), the other party (“Y”) will have the right (but not be obliged) without prior notice to X or any other person to set-off or apply any obligation of X owed to Y (whether or not matured or contingent and whether or not arising under the Agreement, and regardless of the currency, place of payment or booking office of the obligation) against any obligation of Y owed to X (whether or not matured or contingent and whether or not arising under the Agreement, and regardless of the currency, place of payment or booking office of the obligation). Y will give notice to the other party of any set-off effected under this Section 6(f).

Amounts (or the relevant portion of such amounts) subject to set-off may be converted by Y into the Termination Currency at the rate of exchange at which such party would be able, acting in a reasonable manner and in good faith, to purchase the relevant amount of such currency. If any obligation is unascertained, Y may in good faith estimate that obligation and set-off in respect of the estimate, subject to the relevant party accounting to the other when the obligation is ascertained. Nothing in this Section 6(f) shall be effective to create a charge or other security interest. This Section 6(f) shall be without prejudice and in addition to any right of set-off, combination of accounts, lien or other right to which any party is at any time otherwise entitled (whether by operation of law, contract or otherwise).”

(b) Notwithstanding anything to the contrary in the foregoing, GS&Co. agrees not to set off or net amounts due from Counterparty with respect to any Transaction against amounts due from GS&Co. to Counterparty with respect to contracts or instruments that are not Equity Contracts. “**Equity Contract**” means any transaction or instrument that does not convey to GS&Co. rights, or the ability to assert claims, that are senior to the rights and claims of common stockholders in the event of Counterparty’s bankruptcy.

13. **Delivery of Shares.** Notwithstanding anything to the contrary herein, GS&Co. may, by prior notice to Counterparty, satisfy its obligation to deliver any Shares or other securities on any date due (an “**Original Delivery Date**”) by making separate deliveries of Shares or such securities, as the case may be, at more than one time on or prior to such Original Delivery Date, so long as the aggregate number of Shares and other securities so delivered on or prior to such Original Delivery Date is equal to the number required to be delivered on such Original Delivery Date.
14. **Early Termination.** In the event that an Early Termination Date (whether as a result of an Event of Default or a Termination Event) occurs or is designated with respect to any Transaction (except as a result of a Merger Event in which the consideration or proceeds to be paid to holders of Shares consists solely of cash), if either party would owe any amount to the other party pursuant to Section 6(d)(ii) of the Agreement (any such amount, a “**Payment Amount**”), then, in lieu of any payment of such Payment Amount, Counterparty may, no later than the Early Termination Date or the date on which such Transaction is terminated, elect to deliver or for GS&Co. to deliver, as the case may be, to the other party a number of Shares (or, in the case of a Merger Event, a number of units, each comprising the number or amount of the securities or property that a hypothetical holder of one Share would receive in such Merger Event (each such unit, an “**Alternative Delivery Unit**” and, the securities or property comprising such unit, “**Alternative Delivery Property**”)) with a value equal to the Payment Amount, as determined by the Calculation Agent (and the parties agree that, in making such determination of value, the Calculation Agent may take into account a number of factors, including the market price of the Shares or Alternative Delivery Property on the date of early termination and, if such delivery is made by GS&Co., the prices at which GS&Co. purchases Shares or Alternative Delivery Property to fulfill its delivery obligations under this Section 14); *provided* that in determining the composition of any Alternative Delivery Unit, if the relevant Merger Event involves a choice of consideration to be received by holders, such holder shall be deemed to have elected to receive the maximum possible amount of cash; and *provided further* that Counterparty may make such election only if Counterparty represents and warrants to GS&Co. in writing on the date it notifies GS&Co. of such election that, as of such date, Counterparty is not aware of any material non-public information concerning the Shares and is making such election in good faith and not as part of a plan or scheme to evade compliance with the federal securities laws. If such delivery is made by Counterparty, paragraphs 2 through 7 of Annex A shall apply as if such delivery were a settlement of the Transaction to which Net Share Settlement applied, the Cash Settlement Payment Date were the Early Termination Date and the Forward Cash Settlement Amount were zero (0) *minus* the Payment Amount owed by Counterparty.
15. **Calculations and Payment Date upon Early Termination.** The parties acknowledge and agree that in calculating Close-out Amount pursuant to Section 6 of the Agreement GS&Co. may (but need not) determine losses incurred in connection with terminating, liquidating or re-establishing any hedge without reference to actual losses incurred but based on expected losses assuming a commercially reasonable (including without limitation with regard to reasonable legal and regulatory guidelines) risk bid were used to determine such losses to avoid awaiting the delay associated with closing out any hedge or related trading position in a commercially reasonable manner prior to or sooner following the designation of an Early Termination Date. Notwithstanding anything to the contrary herein or in Section 6(d)(ii) of the Agreement or in the Equity Definitions, all amounts calculated as being due in respect of an Early Termination Date under Section 6(e) of the Agreement or other termination or cancellation of a Transaction hereunder will be payable on the day that notice of the amount payable is effective; *provided* that if Counterparty elects to receive Shares or Alternative Delivery Property in accordance with Section 14, such Shares or Alternative Delivery Property shall be delivered on a date selected by GS&Co. as promptly as practicable.
16. **Automatic Termination Provisions.** Notwithstanding anything to the contrary in Section 6 of the Agreement, if a Termination Price is specified in any Supplemental Confirmation, then an Additional Termination Event with Counterparty as the sole Affected Party and the Transaction to which such Supplemental Confirmation relates as the Affected Transaction will automatically occur without any notice or action by GS&Co. or Counterparty if the VWAP Price falls below such Termination Price on any Exchange Business Day and the Exchange Business Day that the VWAP Price falls below the Termination Price will be the “Early Termination Date” for purposes of the Agreement.
17. **Delivery of Cash.** For the avoidance of doubt, nothing in this Master Confirmation shall be interpreted as requiring Counterparty to deliver cash in respect of the settlement of the Transactions contemplated by this Master Confirmation following payment by Counterparty of the relevant Prepayment Amount, except in circumstances

where the required cash settlement thereof is permitted for classification of the contract as equity by ASC 815-40, *Derivatives and Hedging – Contracts in Entity's Own Equity*, as in effect on the relevant Trade Date (including, without limitation, where Counterparty so elects to deliver cash or fails timely to elect to deliver Shares or Alternative Delivery Property in respect of the settlement of such Transactions).

18. Claim in Bankruptcy. GS&Co. acknowledges and agrees that this Confirmation is not intended to convey to it rights with respect to the Transactions that are senior to the claims of common stockholders in the event of Counterparty's bankruptcy.

19. Amendments to the Equity Definitions.

(a) Section 11.2(a) of the Equity Definitions is hereby amended by (i) replacing the words "a diluting or concentrative" with the word "an" and (ii) adding the phrase "or such Transaction" at the end thereof;

(b) Section 11.2(c) of the Equity Definitions is hereby amended by (i) replacing the words "a diluting or concentrative" with the word "an" in the fifth line thereof, (ii) adding the phrase "or such Transaction" immediately following the word "Shares" in the sixth line thereof, (iii) deleting the words "dilutive or concentrative" in the sixth to last line thereof and (iv) replacing the phrase "(provided that no adjustments will be made to account solely for changes in volatility, expected dividends, stock loan rate or liquidity relative to the relevant Share)" with the phrase "(and, for the avoidance of doubt, adjustments may be made to account for changes in volatility, expected dividends, stock loan rate or liquidity relative to the relevant Share)"; and

(c) Section 11.2(e)(vii) of the Equity Definitions is hereby amended by (i) replacing the words "a diluting or concentrative" with the word "an" and (ii) adding the phrase "or the relevant Transaction" at the end thereof.

20. Governing Law. The Agreement, this Master Confirmation, each Supplemental Confirmation and all matters arising in connection with the Agreement, this Master Confirmation and each Supplemental Confirmation shall be governed by, and construed and enforced in accordance with, the laws of the State of New York (without reference to its choice of laws doctrine other than Title 14 of Article 5 of the New York General Obligations Law).

21. Illegality. The parties agree that, for the avoidance of doubt, for purposes of Section 5(b)(i) of the Agreement, "any applicable law" shall include the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, any rules and regulations promulgated thereunder and any similar law or regulation, without regard to Section 739 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 or any similar legal certainty provision in any legislation enacted, or rule or regulation promulgated, on or after the Trade Date, and the consequences specified in the Agreement, including without limitation, the consequences specified in Section 6 of the Agreement, shall apply to any Illegality arising from any such act, rule or regulation.

22. Offices.

(a) The Office of GS&Co. for each Transaction is: 200 West Street, New York, New York 10282-2198.

(b) The Office of Counterparty for each Transaction is: 3005 Highland Parkway, Downers Grove, Illinois 60515

23. Account Opening Agreements. If in connection with any Transaction there is any inconsistency between the Agreement, this Master Confirmation, any Supplemental Confirmation and the Equity Definitions, on the one hand, and the New Account Agreement for Corporate Repurchase Programs, entered into between GS&Co. and Counterparty in connection with executing this Master Confirmation, as amended or supplemented from time to time, the Agreement, this Master Confirmation, and Supplemental Confirmation and the Equity Definitions, as the case may be, shall prevail for purposes of such Transaction.

24. Submission to Jurisdiction. Section 13(b) of the Agreement is hereby deleted in its entirety and replaced by the following:

“Each party hereby irrevocably and unconditionally submits for itself and its property in any suit, legal action or proceeding relating to this Agreement and/or any Transaction, or for recognition and enforcement of any judgment in respect thereof, (each, “**Proceedings**”) to the exclusive jurisdiction of the Supreme Court of the State of New York, sitting in New York County, the courts of the United States of America for the Southern District of New York and appellate courts from any thereof. Nothing in the Master Confirmation, any Supplemental Confirmation or this Agreement precludes either party from bringing Proceedings in any other jurisdiction if (A) the courts of the State of New York or the United States of America for the Southern District of New York lacks jurisdiction over the parties or the subject matter of the Proceedings or declines to accept the Proceedings on the grounds of lacking such jurisdiction; (B) the Proceedings are commenced by a party for the purpose of enforcing against the other party’s property, assets or estate any decision or judgment rendered by any court in which Proceedings may be brought as provided hereunder; (C) the Proceedings are commenced to appeal any such court’s decision or judgment to any higher court with competent appellate jurisdiction over that court’s decisions or judgments if that higher court is located outside the State of New York or Borough of Manhattan, such as a federal court of appeals or the U.S. Supreme Court; or (D) any suit, action or proceeding has been commenced in another jurisdiction by or against the other party or against its property, assets or estate and, in order to exercise or protect its rights, interests or remedies under this Agreement, the Master Confirmation or any Supplemental Confirmation the party (1) joins, files a claim, or takes any other action, in any such suit, action or proceeding or (2) otherwise commences any Proceeding in that other jurisdiction as the result of that other suit, action or proceeding having commenced in that other jurisdiction.”

25. Waiver of Trial by Jury. **EACH OF COUNTERPARTY AND GS&CO. HEREBY IRREVOCABLY WAIVES (ON ITS OWN BEHALF AND, TO THE EXTENT PERMITTED BY APPLICABLE LAW, ON BEHALF OF ITS STOCKHOLDERS) ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THE AGREEMENT, THIS MASTER CONFIRMATION, EACH SUPPLEMENTAL CONFIRMATION AND EACH TRANSACTION OR THE ACTIONS OF EITHER PARTY OR ITS RESPECTIVE AFFILIATES IN THE NEGOTIATION, PERFORMANCE OR ENFORCEMENT HEREOF.**

26. Counterparts. This Master Confirmation may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Master Confirmation by signing and delivering one or more counterparts.

Counterparty hereby agrees (a) to check this Master Confirmation carefully and immediately upon receipt so that errors or discrepancies can be promptly identified and rectified and (b) to confirm that the foregoing (in the exact form provided by GS&Co.) correctly sets forth the terms of the agreement between GS&Co. and Counterparty with respect to any particular Transaction to which this Master Confirmation relates, by manually signing this Master Confirmation or this page hereof as evidence of agreement to such terms and providing the other information requested herein and immediately returning an executed copy to Equity Derivatives Documentation Department, Facsimile No. 212-428-1980/83.

(which value shall, in the case of Unregistered Settlement Shares, take into account a commercially reasonable illiquidity discount), in each case as determined by the Calculation Agent.

3. Counterparty may only deliver Registered Settlement Shares pursuant to paragraph 2 above if:

(a) a registration statement covering public resale of the Registered Settlement Shares by GS&Co. (the “**Registration Statement**”) shall have been filed with the Securities and Exchange Commission under the Securities Act and been declared or otherwise become effective on or prior to the date of delivery, and no stop order shall be in effect with respect to the Registration Statement; a printed prospectus relating to the Registered Settlement Shares (including any prospectus supplement thereto, the “**Prospectus**”) shall have been delivered to GS&Co., in such quantities as GS&Co. shall reasonably have requested, on or prior to the date of delivery;

4. If Counterparty delivers Unregistered Settlement Shares pursuant to paragraph 2 above:

(a) all Unregistered Settlement Shares shall be delivered to GS&Co. (or any affiliate of GS&Co. designated by GS&Co.) pursuant to the exemption from the registration requirements of the Securities Act provided by Section 4(a)(2) thereof;

(b) as of or prior to the date of delivery, GS&Co. and any potential purchaser of any such shares from GS&Co. (or any affiliate of GS&Co. designated by GS&Co.) identified by GS&Co. shall be afforded a commercially reasonable opportunity to conduct a due diligence investigation with respect to Counterparty customary in scope for private placements of equity securities of a similar size by companies similar to Counterparty

(including, without limitation, the right to have made available to them for inspection all financial and other records, pertinent corporate documents and other information reasonably requested by them);

(c) as of the date of delivery, Counterparty shall enter into an agreement (a “**Private Placement Agreement**”) with GS&Co. (or any affiliate of GS&Co. designated by GS&Co.) in connection with the private placement of such shares by Counterparty to GS&Co. (or any such affiliate) and the private resale of such shares by GS&Co. (or any such affiliate), substantially similar to private placement purchase agreements customary for private placements of equity securities of a similar size by companies similar to Counterparty, in form and substance commercially reasonably satisfactory to GS&Co., which Private Placement Agreement shall include, without limitation, provisions substantially similar to those contained in such private placement purchase agreements relating, without limitation, to the indemnification of, and contribution in connection with the liability of, GS&Co. and its affiliates and the provision of customary opinions, accountants’ comfort letters and lawyers’ negative assurance letters, and shall provide for the payment by Counterparty of all commercially reasonable fees and actual documented out-of-pocket expenses in connection with such resale, including all commercially reasonable fees and actual documented out-of-pocket expenses of counsel for GS&Co., and shall contain representations, warranties, covenants and agreements of Counterparty reasonably necessary or advisable to establish and maintain the availability of an exemption from the registration requirements of the Securities Act for such resales; and

(d) in connection with the private placement of such shares by Counterparty to GS&Co. (or any such affiliate) and the private resale of such shares by GS&Co. (or any such affiliate), Counterparty shall, if so requested by GS&Co., prepare, in cooperation with GS&Co., a private placement memorandum in form and substance commercially reasonably satisfactory to GS&Co. and customary for private placements of equity securities of a similar size by companies similar to Counterparty.

5. GS&Co., itself or through an affiliate (the “**Selling Agent**”) or any underwriter(s), will sell, in a commercially reasonable manner and over a commercially reasonable period, all, or such lesser portion as may be required hereunder, of the Registered Settlement Shares or Unregistered Settlement Shares and any Makewhole Shares (as defined below) (together, the “**Settlement Shares**”) delivered by Counterparty to GS&Co. pursuant to paragraph 6 below in a commercially reasonable manner, commencing on the Cash Settlement Payment Date and continuing until the date on which the aggregate Net Proceeds (as such term is defined below) of such sales, as determined by GS&Co., in a commercially reasonable manner, is equal to the absolute value of the Forward Cash Settlement Amount (such date, the “**Final Resale Date**”). If the proceeds of any sale(s) made by GS&Co., the Selling Agent or any underwriter(s), net of any commercially reasonable fees and commissions (including, without limitation, commercially reasonable underwriting or placement fees) customary for similar transactions of a similar size under the circumstances at the time of the offering, together with commercially reasonable carrying charges and expenses incurred in connection with the offer and sale of the Shares (including, but without limitation to, the covering of any over-allotment or short position (syndicate or otherwise)) (the “**Net Proceeds**”) exceed the absolute value of the Forward Cash Settlement Amount, GS&Co. will refund, in USD, such excess to Counterparty on the date that is three (3) Currency Business Days following the Final Resale Date or, if Counterparty so elects (upon which election Counterparty repeats to Dealer in writing the representations and warranties set forth in Section 4(b) of the Master Confirmation), Shares (in which case Dealer will deliver a number of Shares having a value equal to such excess, as determined by Dealer in a commercially reasonable manner over a commercially reasonable period of time, with such period deemed to be a new Settlement Valuation Period for purposes of Sections 4(g), 4(j), 5, 6, 7, and 8 of the Master Confirmation and Counterparty deemed to have made the representation and warranty in Section 3 of the related Supplemental Confirmation, as if the reference to the “Trade Date” were a reference to the first day of such period), and, if any portion of the Settlement Shares remains unsold, GS&Co. shall return to Counterparty on that date such unsold Shares.

6. If the Calculation Agent determines that the Net Proceeds received from the sale of the Registered Settlement Shares or Unregistered Settlement Shares or any Makewhole Shares, if any, pursuant to this paragraph 6 are less than the absolute value of the Forward Cash Settlement Amount (the amount in USD by which the Net Proceeds are less than the absolute value of the Forward Cash Settlement Amount being the “**Shortfall**” and the date on which such determination is made, the “**Deficiency Determination Date**”), Counterparty shall on the Exchange Business Day next succeeding the Deficiency Determination Date (the “**Makewhole Notice Date**”) deliver to GS&Co., through the Selling Agent, a notice of Counterparty’s election that Counterparty shall either

(i) pay an amount in cash equal to the Shortfall on the day that is one (1) Currency Business Day after the Makewhole Notice Date, or (ii) deliver additional Shares. If Counterparty elects to deliver to GS&Co. additional Shares, then Counterparty shall deliver additional Shares in compliance with the terms and conditions of paragraph 3 or paragraph 4 above, as the case may be (the **"Makewhole Shares"**), on the first Clearance System Business Day which is also an Exchange Business Day following the Makewhole Notice Date in such number as the Calculation Agent reasonably believes would have a market value on that Exchange Business Day equal to the Shortfall. Such Makewhole Shares shall be sold by GS&Co. in accordance with the provisions above; *provided* that if the sum of the Net Proceeds from the sale of the originally delivered Shares and the Net Proceeds from the sale of any Makewhole Shares is less than the absolute value of the Forward Cash Settlement Amount then Counterparty shall, at its election, either make such cash payment or deliver to GS&Co. further Makewhole Shares until such Shortfall has been reduced to zero.

7. Notwithstanding the foregoing, in no event shall the aggregate number of Settlement Shares and Makewhole Shares be greater than the Reserved Shares *minus* the amount of any Shares actually delivered by Counterparty under any other Transaction(s) under this Master Confirmation (the result of such calculation, the **"Capped Number"**). Counterparty represents and warrants (which shall be deemed to be repeated on each day that a Transaction is outstanding) that the Capped Number is equal to or less than the number of Shares determined according to the following formula:

$$A - B$$

Where A = the number of authorized but unissued shares of the Counterparty that are not reserved for future issuance on the date of the determination of the Capped Number; and

B = the maximum number of Shares required to be delivered to third parties if Counterparty elected Net Share Settlement of all transactions in the Shares (other than Transactions in the Shares under this Master Confirmation) with all third parties that are then currently outstanding and unexercised.

"Reserved Shares" means initially, Shares. The Reserved Shares may be increased or decreased in a Supplemental Confirmation.
